Hello Leylah,

This project is not shown under this title/description in the Volusia County Harney-Monroe BMAP list, nor any of their other BMAP lists. Their 2019 submittal is attached, including the email and the Excel spreadsheet, in case you wish to check for yourself. The Excel workbook includes sheets for each BMAP in which Volusia participates.

Hello Tiffany,

I am following up with you regarding the email below.

Can you please confirm if the following project is officially listed in the latest spreadsheet you received from Volusia County?

Thornby Park Water Quality Improvement Project

If so, can you please provide me the corresponding BMAP Project No. ?

Thanks!

Leylah

I am preparing a FDEP SWAG grant application for this project on behalf of Volusia County (Lori Koontz) and this information would help the project to score higher.

Please let me know. Thank you!

Leylah
