Hi Abigail,
It should be the G3SD0154.

Thanks,
Kirby

Me again, sorry!

On the DEP field sheets, the sample collected at 12:40 says G3SD0154, but on the Sanders COC it's written G3SD0158. Which field ID would be better to use?

Thank you,

Abigail

Hi Abigail,
I think this should be the correct sheet.

Thanks,

Hi Kirby,

Could you resend the field sheets that go with these samples collected 4/26/21?
Nothing by these field IDs is logged in yet, so I don't think Receiving has them.

Thanks for the help,
