The correct date is 4/25/2017. Sorry for the confusion.

Thanks,

Terry Riordan

Good Morning Terry,

I just wanted to double check with you the collection date of this sample.

In the custody sheet that went to the overflow lab, the sample shows as being collected on 04/24 and also received by the lab on 4/24. However, according to the DEP's custody sheet, the sample was collected on the 25th. Can you confirm the correct date for me?

Thank You,
Carina.
