So just to clarify: sample "Whidden Creek Middle Point" was not submitted to sanders right? The only one submitted was "lemon bay" at 11:45?
Because DEP logged-in "Whidden creek" @ 13:20 as the one sent to sanders.

Hi Carina,

Yes you are correct it should be 2017-03-13-50. Sorry about that a line read error. That collection time on the Sanders COC is wrong. It should have been 1145 for Lemon Bay at Storet G2SD0021. Sorry for the confusion.

Thanks, Ben

Hi Ben,

I think the RQ is supposed to be 2017-03-13-50 because the RQ#03-13-51 belongs to: sample #G1SD031517-2. Here is a screen shot:

Also, in the attached pdf (coc) I see a discrepancy with the collection time:

Sample # G2SD031317-1 shows a collection time of 13:20. However, the custody sheet submitted to DEP (see arrow below) has sample #G2SD031317-2 as the one being collected at 13:20.

Could you please double check this and let me know the correct times?

Thanks again!!
Carina
