Hi Steve,

Did you sample for RQ-2018-02-12-28? If so, the Sanders chain of custody lists a sampling time of 13:30 for each sample and a received time of 13:30. If you could write me back confirming the true sampling time for these samples, I can process the results. I'm attaching the final report and coc from sanders for your reference.

Thank you,

Avril Wood-McGrath
