Also should be Group 1, so G1SW0046
Sorry for the confusion.
Thanks,
judy

Hi Avril,
It should be G1SW0066
Thanks,
Judy

Hi Judy,

Can you confirm the field ID for Delany Creek sampled at 13:50? Lab coc lists G1SW0066 and central submittal forms list G2SW0066. I'm including a copy of the lab's report and coc for your review (results are not verified).

Thanks!
