Subject: Sample ID Verification for RQ-2019-08-05-90

Hello Jeremy,

My name is Anthony Mirabito and I am an Environmental Specialist I at FDEP working in overflow. I just wanted to verify that the sample ID's from the report match the sample ID's that we have on file. Are the sample ID's from the report TUM44, TUMSW5 and POSNW16 the same as sample ID's 2114579, 2114580, 2114581, respectively? This is for event NE-DIST-2019-08-23-02 (RQ -2019-08-05-90). Thanks and have a great day!

Best,
Anthony
