Hello,

Bottles labeled G2SD032717-3 were collected at 10:00 am. Bottles labeled G2SD032717-1 were collected at 09:20 am. The Lab custody sheet appears to be incorrect. Sorry For the confusion.

Corey

Good Afternoon Corey,

I just wanted to check with you the collection time for sample # **G2SD032717-3**.

In the sander's coc the collection time appears as 10:00 but the custody sheet submitted to DEP shows a time of 9:20. Is this correct?

Thanks!!
