The public will be able to access these files via the web at this address and pull down files applied the directories you specify within.

DARM/EAOR

<ftp://ftp.dep.state.fl.us/pub/air/eaor/>

new - <http://publicfiles.dep.state.fl.us/DARM/eaor/>

This is the EAOR application and documentation dissemination folder. Items are placed here for distribution and pickup by State, Academic and Municipal entities as well as members of the public for use with the ARMS system and interfacing with the Annual Operating Report submission system.

DARM/EASIIR

<ftp://ftp.dep.state.fl.us/pub/air/easiir/>

new - <http://publicfiles.dep.state.fl.us/DARM/easiir/>

This is the EASIIR application and documentation folder. Items are placed here for distribution and pickup by other State and Local Program entities for use with the Electronic Access System for Inspection Information Retrieval (EASIIR system).

DARM/EPA – (Removed on Wednesday, March 31, 2010. Diverting future FTP postings to <ftp://ftp.dep.state.fl.us/pub/outgoing>)

<ftp://ftp.dep.state.fl.us/pub/air/EPA/>

new - <http://publicfiles.dep.state.fl.us/DARM/EPA/>

This is the EPA document dissemination folder. Items are placed here for distribution and pickup by US EPA and other State, Academic and Municipal entities.

DARM/Florida_Regional_Haze_Prelim_SIP - (Removed on Wednesday, March 31, 2010. Diverting future FTP postings to <ftp://ftp.dep.state.fl.us/pub/outgoing>)

ftp://ftp.dep.state.fl.us/pub/air/Florida_Regional_Haze_Prelim_SIP/

new - http://publicfiles.dep.state.fl.us/DARM/Florida_Regional_Haze_Prelim_SIP/

This folder is placed specifically for the purpose of disseminating the Florida Regional Haze State Implementation Plan (Preliminary Copy). Items are placed here for distribution and pickup by US EPA and other State, Academic and Municipal entities.

DARM/Modeling

<ftp://ftp.dep.state.fl.us/pub/air/Modeling/>

new - <http://publicfiles.dep.state.fl.us/DARM/Modeling/>

This is the Modeling output file dissemination folder. Items are placed here for distribution and pickup by US EPA and other State, Academic and Municipal entities for use in meteorological modeling of pollution dispersion and emergency management.

DARM/Transfer

<ftp://ftp.dep.state.fl.us/pub/air/transfer/>

new - <http://publicfiles.dep.state.fl.us/DARM/transfer/>

This folder is established to distribute applications, large files or files that will otherwise not transfer due to antigen or other filtering mechanisms.
