Hi, Kathryn :

After this RQ was ordered, bacteria was removed from these sites (same sites as RQ-2018-03-26-26).

Thank you,

Subject: RQ-2018-04-02-73 collected 6/28/18

Good afternoon,

I just wanted to verify whether or not the 2 samples from RQ-2018-04-02-73 collected 6/28/18 were sent to Sanders for E.coli testing.
I did not have J. Foster's email (the collector for these samples) to ask as well.

Thank you,
