Hello Anthony,

A duplicate was scheduled to be collected but was not sampled. This was overlooked in completing the lab submittal form.

Thank you,
Sarah Meyer

Hello Sarah,

For project RQ-2019-10-07-09 both the report and the edd do not show a G3SW0052_DUP but it looks like we received a G3SW0052_DUP. I was wondering if you could clarify what is correct and send an updated report if needed. I have attached the report sent to overflow and the report receiving received.

Thanks,
Anthony
