Hi Anthony,

The ALS chain of custody form had switched times. The DEP COC is correct. I referred back to the original field data sheet for confirmation. I apologize for the transcription error, sometimes that happens since we have to write it a bunch of times. Hope this helps.

Cheers,
Kelly

Hello Kelly,

Would you be able to take a look at this when you get the chance?

Thanks,
Anthony

Good Morning Kelly,

I was wondering if you could confirm sampling for RQ-2020-02-17-12 for Field ID G4NE0296 and G4NE0292. On the chain of custody it has the sampling time for G4NE0296 at 10:50 and G4NE0292 at 11:40. On the report sent to DEP Receiving it has G4NE0296 sampled at 11:40 and G4NE0292 sampled at 10:50. Can you confirm which is correct? I have attached the report sent to Receiving which also contains the chain of custody. Let me know if you have any questions.

Thanks,
Anthony
