Document Information: Provide supporting documents indicated as "Yes" above including this form via email to Tanknotify@dep.state.fl.us, or documents can be sent to FDEP, Division of Waste Management, 2600 Blair Stone Road, MS 4560, Tallahassee, FL 32399.

Write a brief description of equipment installation and performance in the U.S.:

slide gasket over the down tube, align lead hole on the sender/gasket with the lead on the tank and install in tank.
secure the sending unit with mounting screws in a star shape pattern, do not over tighten.
for no leak test test, pressurize tank to 3 psi looking for bubbles using soapy water around the seal.
see attached unit installation guide.

Equipment Registration Certification:

To the best of my knowledge and belief, all information submitted on this form is true, accurate and complete.
