Subject: Sample from RQ-2021-02-01-66

Good afternoon,

I have a quick question about RQ-2021-02-01-66 from 3/4/21.

The sample ID on the DEP COC is 20030756, but on the ALS COC the number is written as 20030346. Can you take a look and let me know which one we should use?

Thanks!
