Good afternoon Abigail,

G1SD0057 was sampled at 1110, and G1SD0104 was sampled at 1225 on 03/04/2021. After looking at the Sanders COC, it looks like I switched the station order. My apologies!

Thank you for checking with us.

Good afternoon,

I have a quick question about the DEP and Sanders COC for RQ-2021-03-01-57.

The sample times for G1SD0104 and G1SD0057 seem to be switched around, so I'm not sure which times are correct.

I've attached both chains of custody here, if you could take a look.

Thank you!
