Good morning Abigail,

Based on the conductivity read from that sampling event, the matrix was marine.

Have a good day!

Subject: G1SD0116 matrix

Good morning,

I have a quick question about a sample from RQ-2021-04-12-60 collected on 4/12/21.

Could you confirm the correct matrix for G1SD0116 (fresh or marine)?

Thank you!

Abigail
