915 should be the correct time.

Good morning,

I have a quick question about G3SD0185 from RQ-2021-06-21-13, sampled 6/22/21. The overflow COC sample time says 9:05, but FDEP COC says 9:15. Can you please take a look and let me know which time we should use for this sample?

Thank you!

Abigail
