Hi Raven,

Sorry for the late response, we are out of office on Fridays.

The correct times would be what was on the DEP COCs:

19010098 at 11:10 am
19010099 at 10:45 am.

Sorry for the inconvenience,

Subject: Sampling Time for NE-DIST-2022-06-08-01

Hello,

We noticed a discrepancy between sample 19010098 and 19010099 for EventNE-DIST-2022-06-08-01.

- For 19010098, the DEP's COC notes the sample time as 11:10 white Diversified's COC says it was collected at 10:45.

- For 19010099, the DEP'S COC notes the sample time as 10:45 while Diversified's COC says it was collected at 11:10.

It looks like they were switched. Which times are correct?

Thanks,

Raven Baxter
