Subject: SW-DIST-2019-01-11-02 sampling date

Hi Magan,

I think the sampling date on the chain of custody turned into DEP should be 1/10/2019 instead of 1/7/2019. The samples were received here in Tallahassee on the 11th and the date on the micro overflow sample is 1/10.

Thanks, Kara

Kara Sprague
