Lance,

I just got back from AL and am working in WPB for the rest of the week.

I'll get back to you on this on Monday.

Thanks,

Don

Don -

I am working on the Amendment for DEP Contract SP676 with the Smithsonian Institution to extend the completion date to December 31, 2009. I was looking at Attachment A, Scope of Services and I had a question. Does the contract extension change any of the dates in the scope? If so, could you please forward me a revised copy of the scope with the updated dates? Thanks.
