Debbie,

1. I've placed this signed CIF (PDF copy attached) - a no-cost extension for contract SP676 - in the mail for you.

2. Where are you re the contract; *Screening Model of Mercury Cycling in the Gulf of Mexico*; single source, fixed price, $122,877, with *Aqua* Lux Lucis, Inc.?
We have a meeting re this Gulf of Mexico research on Friday with Drew Bartlett, Daryll Joyner etc., and the proposed contractor, and I need to be able to say something re the estimated start date.

Thanks for your help,

Don Axelrad
