Hi Kara,

Kirby and I just talked and he believed that you were referring to the drop-off time. The sample times are 9:30 and 9:45, sorry for the confusion!

Hi Kara,
Yes Sanders time is correct.

Hello!

The Sanders Coc has these samples being collected an hour earlier than what is on the DEP coc. I know the tablet times have been off so I'm assuming it's the Sanders. Is that right?

Thank you!

Kara
