Good Morning Cathy,

The correct field ID for Juniper Creek is G3NW0170.

Sorry for the inconvenience.

Good Morning

I work for DEP in Tallahassee FL, and I am logging in the samples that was sent and I see that the field ID on the chain of custody and the report numbers do not Match, the report has G3NW0170 and the COC has G3NW170 (missing the 0) can you please confirm the correct field id for me.
Thank you and have a great day!
