Hi,

Thanks for catching that, the sample was collected at 10:55 for the site 10910093. Do you need the time to be physically corrected on the ALS form and sent back to you?

Thank you,
Kim

Good afternoon,

Quick question about RQ-2021-04-26-02 collected 4/28/21. Was 10910093 collected at 10:55 or 11:10 as written on the ALS COC?

Thank you,

Abigail
