Good Morning Abigail,

Apparently I had some dyslexia the correct time should be 930 for sample G3NW0116.

Stopher

Subject: Sample time discrepancy

Good morning,

Could you let me know the sample time of G3NW0116 from RQ-2021-03-15-52? The DEP COC says 9:30 but overflow COC says 9:03. I've attached the paperwork here if you want to take a look.

Thanks!
