Sorry to hassle you, but my institution needs a letter from NOAA or FL DEP (or whatever agency is sponsoring my travel) before they will allow me to book tickets, and I'd like to get tix booked this week.

I think I sent this info a week of two ago, but as a reminder, the letter should be on letterhead, addressed the SERC, and state that the agency will reimburse SERC for my travel, up to a certain amt. Sorry for the trouble, this all arose from some bad travel behavior in upper SI management (recall that our sec't resigned last year over spending issues?)

I checked into airfares, they should be < $600 for the gov't city pair, BWI to MSY. I'll hitch a ride from the airport to Gulfport w/ Dave Krabbenhoft, so won't need a car.

Thanks again -
