TYPO CORRECTION: Re: the microbiology report for RQ-2022-01-24-40 samples collected 01/25/2022.

Good morning. I typed the incorrect incubation end time in the original email (14:45 was ***not*** the end time, but rather an internal record we keep for something else for QA purposes). The samples analyzed for *E. coli* by **SM 9223B (Colilert-18 QT)** were incubated from 01/25/2022 (14:20) to 01/26/2022 (**10:57**).

I apologize for any confusion. Let me know if you have any questions.

Thank you,
