Subject: Sulfur workshop, May 2009, Preliminary Planning

All,

These dates for a 2009 Everglades Sulfur Workshop work for several of us:

May 5 and 6 (Tues and Weds),
or
May 6 and 7 (Weds and Thurs),

Please let me know if either or both of these timeslots fit your schedule.

My thinking is that Cindy Gilmour, Bill Orem, Dave Krabbenhoft, George Aiken, Tom DeBusk, and Mark Gabriel would be the "core" presenters at the workshop.
Comments welcomed.

Thanks,

Don
