I was off on Friday...I thought these went out...check with Amanda and let me know if there is something I need to do.

I got a copy of an email request from John Outland this morning to Pat requesting that he look at it. I'm not sure if this happened as he was out too. I guess he needs to look at it though, so if it's already gone out, he needs to get at least a copy. Maybe you can call him in the meantime.

k.

Kelly,

Did John Outland sign SP676?

Was SP676 sent to the Smithsonian?

Debbie – I am following up for Ruth Tallman, who is not in today. She had a communication from your office on 8/8 and 8/11 that you would be sending the contract SP676 to our office (via fedex, I believe). As of today 1 pm, we have not received anything in our office. Please advise as to the whereabouts of this contract, as we are anxious to get it signed and finalized. Thanks.
