Zach and Karen,

The ECL extension was recorded last week by Lamar Evers for the Mid-Town Project (R102.0 to R106.9). See email below where I let Rob Weber and Mike Jenkins know about the recording this morning.....

Good morning Rob and Mike,

Good news, the ECL extension for the Town has been recorded this past Tuesday/ Wednesday by Lamar. Once I have downloaded the electronic files from the courthouse showing a copy of the recorded survey and the state resolution, I will load the files into OCULUS and provide the links to both of you. Hopefully this can happen this week, but sometimes there can be a lag on when I can actually download the files from the county website. Both the ECL Survey and the State Resolution have been recorded.

Have a good week....!
