Kelly,

I will; I await a phone reply from Gilmour or Tallman who are meeting at noon today.

Let Debbie know that you have phoned/or will phone the contractor to see if they have comments, but that you do not.

Kelly,

I assume this Email below means Debbie Bates is awaiting further comments from the Smithsonian (not us).

I phoned the Smithsonian to check if they have further comments.

My take is that Debbie Bates may be waiting only for the Smithsonian contract contacts names (see previous Email from me).

Don:

I have the insurance certificates and have deleted the QA language. I am waiting on any additional comments on the draft.

Thanks

Debbie

Debbie,

Please refresh my memory. Where are we on SP676 - Smithsonian?

Did they get you all the insurance info?

Thanks,

Don
