Debbie doesn't do any of that part of the process...if John Outland wants to sign it, it will come back to us for delivering to Smithsonian.

I'll ask Pat to keep me informed as to where it is. **PAT: PLEASE ASK JOHN OUTLAND TO CALL ME WHEN IT IS READY.**

I'm off on Friday as well...I'm hopeful this will get done before then though.

k.

Kelly,

Thanks again.

If John Outland wants to sign the Smithsonian contract, will Debbie Bates FedEx the contract to the Smithsonian?
Or do we ask for it back to have Amanda FedEx it - I'd like to get this to the Smithsonian ASAP.

I am on AL Weds, Thurs. and Fri., and please between you and Denise, see that this contract goes out to the Smithsonian.

Don

Bring it to me, if you get it, and I will show her what to do.

Hi John,

The referenced contract has been signed by DEAR Division management. Do you want to sign off, as well, because your funds support the project, or shall we send directly to the Contracts Office?
