Pat,

The correct EO for SP676 is "**ZF**"
as per the Contract Initiation form,
not "MR" as per the Contract Review form

Don:

It should be "ZF" according to F&A.

John,

Re pending contract SP676 with the Smithsonian (for compiling and drawing mercury and sulfur conclusions from the complete ACME dataset),
the Contract Initiation form has EO "ZF" while
the Contract Review form has EO "MR".

Have you changed EOs or is this just a typo?
