Don – I just spoke with Phil Parsons to let him know we were working on his data request and that we wanted a followup discussion with him. He said there was no hurry on this issue, and that between our schedules for the next few weeks, we should just plan to talk during the week of 9/21 (after his and my return to office).

In the meantime, please continue to pursue information on relevant contracts, dates, $$ and deliverables, and then we can talk with Phil about who he should contact and the necessary steps if he wants hardcopies of the contracts.
When I return, I will retrieve my email relative to SP676, if you can be doing the same.

Thanks,
Denise
