Lance,

RE: SP676 Amendment No. 1 - Amend contract to allow a no-cost time extension through December 31, 2009

Please find attached a revised Scope with new deliverable due dates for SP676, for which Amendment 1 requests a no-cost extension from June 30 until December 31, 2009.

In summary, final deliverables are as follows:

Task 1:

Full data set(s) including metadata: Final data set, December 1, 2009

Text data report: Final report, December 1, 2009.

Task 2:

Final data and literature synthesis report, December 1, 2009

I am on leave – at home – all next week. So please copy Denise Miller (here CCed) on any contract correspondence.
My home phone number is below if needed.

Thanks,

Don Axelrad

Don -

I am working on the Amendment for DEP Contract SP676 with the Smithsonian Institution to extend the completion date to December 31, 2009. I was looking at Attachment A, Scope of Services and I had a question. Does the contract extension change any of the dates in the scope? If so, could you please forward me a revised copy of the scope with the updated dates? Thanks.
