Subject: Invoice for $423.95 for SP676 ACME synthesis
Date: Friday, September 26, 2008 10:14:47 AM

Cindy,

I have received an invoice for $423.95 for SP676, ACME synthesis, from Patricia Neese, Smithsonian.

However, as this is a fixed price contract, the form of the invoice as per ones you've done in the past is percent of work completed and invoice for that percent of the total budget. Invoices should be lodged with quarterly progress reports.

Thanks,

Don
