Cindy,

We will probably get NOAA funding for your travel - hence lots of hoops.

Linda Sedlacek and I will discuss tomorrow (Linda see Email below).

Don – Can I legitimately charge my travel to the GOM meeting to our current FL DEP project? That might be easiest. Otherwise, I need to jump hoops to deal with supported travel (a letter to SERC from whatever organization is paying, saying that they will cover the costs, and up to what amt – and that would need to be done ASAP - and eventually reimbursement to SERC, not to me). Fun travel rules.

Thanks – Cindy
