Emissions Reporting Requirements Flowchart

Subsection II.E.(2) Emissions Information for an air pollutant, for each SCC

Yes

Is this emission unit subject to an emissions limiting standard for this pollutant?

Yes

Report emission for the specific SCC, even if the quantity is small

Is there another pollutant?

No

Go to next SCC

No

Is this a pollutant for one of the following? (PM$_{10}$, PM$_{10}$-Pri, PM$_{2.5}$, PM$_{2.5}$-Pri, SO$_2$, NO$_x$, NH$_3$, VOC, CO, CPM, Pb)

No

Do not need to report emission

Yes

Is the emission equal to or greater than the reporting threshold?*

No

Do not need to report emission

Yes

Report emission of this pollutant, for the specific SCC

*: Reporting thresholds are based on SCC. Refer to instructions to DEP Form 62-210.900(5).
