---

Cindy,

I attach Garrett and Ivanoff (2008) re hydropattern restoration of NW WCA-2A with STA-2 water, and my draft summary of the report; you might want to use this in your SP676 synthesis report.

We are drowning in information, while starving for wisdom.
The world henceforth will be run by synthesizers,
people able to put together the right information at the right time,
think critically about it, and make important choices wisely.
E. O. Wilson
