Subject: GOMA Mercury Workshop hotel information
Date: Tuesday, November 25, 2008 1:24:06 PM

Hello Mercury Workshop attendees,
I have been informed that the room block is officially open. The name of the room block is "Florida Dept of Environmental Protection." The rate is $99/night. I have been told that a few people made reservations already at a government rate of $80/night. So, if you qualify for a government rate, that may be the way to go.
The workshop will take place at the hotel. The hotel information is below.

Courtyard by Marriott Gulfport Beachfront
1600 East Beach Blvd.
Gulfport, MS 39501
(228) 854-4310

The room block is only available through the 26th, so make your reservations quickly! Sorry for the short time period. We look forward to seeing you next week!
Linda
