All,

Re: Sulfur workshop, May 2009, Preliminary Planning

It looks like May 6 and 7 (Weds and Thurs) will work for us all.

Please note those dates in your calendars.

Those with ideas re a meeting site, please contact me; options I have heard include the USGS offices in Ft. Lauderdale, FDEP regional office in West Palm Beach, or the SFWMD in West Palm Beach.

All,

These dates for a 2009 Everglades Sulfur Workshop work for several of us:

May 5 and 6 (Tues and Weds),
or
May 6 and 7 (Weds and Thurs),

Please let me know if either or both of these timeslots fit your schedule.

My thinking is that Cindy Gilmour, Bill Orem, Dave Krabbenhoft, George Aiken, Tom DeBusk, and Mark Gabriel would be the “core” presenters at the workshop.
Comments welcomed.

Thanks,

Don
