Don -
I am not available the week of June 4 (my daughter graduates from high school that week).
I could do the week of June 8.

Please be aware that my schedule is filling up fast for the summer with field work on a number of projects.

Cindy

Cindy,

FYI below.

Got anything planned for June 11 and 12?

Don

PS
It is ca. 45 miles from West Palm Beach to Fort Lauderdale……

Mark,

We need to ensure our 4 main speakers are available; apart from you and Bill Orem, Tom DeBusk and Cindy Gilmour.

I am in Canada June 4 and 5; June 11 and 12 would work for me.

Don

Don/Bill

I just got word back from the Exec. office regarding the conference. Because of public perception reasons it doesn't look like they are not going along with District employees traveling to Ft. Lauderdale.

So, are you (1) OK with postponing and (2) holding the workshop at the District?

I have identified a room at District headquarters that has the space (30+ people) and tech capacity (video conferencing should we need it). We already have confirmation that June 4 and 5 are open. Another possible set of days is June 11 and 12.

Thanks
