

Question Number	35	36
	Do you have documentation of the service areas for all the DEP Permitted Domestic Wastewater Treatment Facilities (WWTF) in your county? Choose the best answer and clarify by comment if necessary.	Are you notified by WWTF when it provides sewer to parcels that have OSTDS? Choose all answers that apply.
County		
Alachua	No	No
Baker	No	No
Bay	No	No
Bradford	No	Abandonment permits are sometimes issued
Brevard	Yes	No
Broward	For some of them	Notified annual or on some other regular basis
Calhoun	No	Abandonment permits are sometimes issued
Charlotte	No, The local utility is sending the information directly.	Yes
Citrus	No, We use memory and contact DEP and local utilities for specific information.	Anyone who applies for septic system is sent to utility to confirm wastewater services or lack there of.
Clay	No, The only facilities are run through municipalities or county utilities and we call for availability information.	Yes
Collier	No	No
Columbia	No	No
DeSoto	For some of them, We know of service areas for some package plants, such as mobile home parks, but the two main WWTF (municipal) are unclear and require contact before we issue an OSTDS permit.	Primary WWTF in county does not have an established protocol for notification to us of expansion.
Dixie	No	Yes
Duval	Yes, GIS data is used to determine service areas	Sewer availability notices are requested from JEA when applicants apply for septic construction permits.
Escambia	Yes	Yes
Flagler	No, Have documentation of city limits for municipal providers. That being said, non-municipal WWTFs and certain areas within municipal service areas (known by institutional memory) require phone calls to check status of sewer availability.	Yes
Franklin	Yes	Not during my tenure here
Gadsden	No	No
Gilchrist	No	Yes
Glades	No	Abandonment permits are sometimes issued
Gulf	For some of them	Abandonment permits are always issued
Hamilton	No	No
Hardee	Yes	Yes
Hendry	No	Abandonment permits are always issued
Hernando	For some of them, Only Hernando County Utilities and City of Brooksville service areas.	No
Highlands	No	No
Hillsborough	No	No
Holmes	No	Yes
Indian River	For some of them, There is information from the City of Vero Beach and Indian River County Utilities (provides to Sebastian) No Information from the City of Fellsmere (call with specific address)	Abandonment permits are always issued. The Utilities Operator lets Indian River County Health Department know when utilities are available to a particular area, street etc. but they to not require mandatory connection. Typically, they rely on the health department to not issue a repair permit and require connection performing the enforcement.
Jackson	No	No
Jefferson	Yes	We haven't had any.
Lafayette	No DEP Permitted Domestic WWTF	No
Lake	For some of them, INFO AVAILABLE ON DEP E DATABASE	Abandonment permits are sometimes issued. Notified annual or on some other regular basis

Question Number	37	38
	When a permit for abandonment is issued, it is tied back to the other permits for the abandoned OSTD? Choose the best answer and clarify by comment if necessary.	Do State Parks/Recreational Facilities/Wildlife Reserves consistently apply to you for OSTDS permits on lands they own or manage? Choose the best answer and clarify by comment if necessary.
County		
Alachua	Sometimes	Yes
Baker	Not sure	Yes
Bay	No	Yes
Bradford	If we can find the original OSTDS permit	No OSTDS have been put on these type of lands in our county.
Brevard	Not usually	Yes
Broward	Not sure	Yes
Calhoun	Not sure	Yes
Charlotte	Whenever possible	Yes
Citrus	Not usually	Yes
Clay	No	Yes
Collier	No	Yes
Columbia	No	Yes
DeSoto	No	Not applicable
Dixie	No	Yes
Duval	I don't believe it ties back to the specific OSTDS, but property address only. A property may have multiple OSTDS.	Yes
Escambia	No	Yes
Flagler	On paper records from 1995-present, yes. Otherwise, no.	Yes
Franklin	Yes	Yes
Gadsden	No	No
Gilchrist	Sometimes	Yes
Glades	Not usually	Yes
Gulf	Yes	Yes
Hamilton	If existing records can be found	Not applicable
Hardee	Not usually	Yes
Hendry	No	Yes
Hernando	Yes	Yes
Highlands	Yes	Yes
Hillsborough	Not sure	Yes
Holmes	Sometimes	Yes
Indian River	Not usually	Yes
Jackson	Not usually	Yes
Jefferson	Not usually	Yes
Lafayette	Yes	Yes
Lake	Not usually	Yes

Question Number	39
	Do Federal agencies consistently apply to your for OSTDs permits on lands they own or manage? Choose the best answer and clarify by comment if necessary.
County	
Alachua	Yes
Baker	Yes
Bay	No
Bradford	Yes. Post offices in rural communities.
Brevard	Yes
Broward	Not sure
Calhoun	Not applicable
Charlotte	Yes
Citrus	Not sure
Clay	Not sure. Reservest Camp Blanding did apply for shooting range latrines in 2003 but other facilities at the camp are unknown
Collier	No
Columbia	Yes
DeSoto	Not applicable
Dixie	Yes
Duval	Yes
Escambia	Yes
Flagler	Yes
Franklin	Not sure
Gadsden	No
Gilchrist	Yes
Glades	Yes
Gulf	Not sure
Hamilton	Not applicable
Hardee	Not applicable
Hendry	Yes
Hernando	Not applicable
Highlands	Not sure
Hillsborough	Yes
Holmes	Not applicable
Indian River	The only area that I am aware of is served by public sewerage and they are connected.
Jackson	Not sure
Jefferson	Not applicable
Lafayette	Yes
Lake	Yes

Question Number	35	36
County	Do you have documentation of the service areas for all the DEP Permitted Domestic Wastewater Treatment Facilities (WWTF) in your county? Choose the best answer and clarify by comment if necessary.	Are you notified by WWTF when it provides sewer to parcels that have OSTDS? Choose all answers that apply.
Lee	No	Yes, however, abandonment permits are only sometimes issued
Leon	No	Abandonment permits are sometimes issued
Levy	No	MOST OF THE TIME WHEN SEWER COMES IN TO AN AREA BUT WE DO NOT ISSUE ABANDONMENT PERMITS BUT WE WHERE NOTIFIED AN APPROVED UTILITY WAS DOING THE ABANDONMENT
Liberty	Yes	Abandonment permits are always issued
Madison	Yes	No conversions have taken place in our tenure.
Manatee	Yes	Yes
Marion	No, We do have copies of the DEP permits we could get you.	No
Martin	For some of them	Abandonment permits are sometimes issued
Miami Dade	No	Abandonment permits are always issued
Monroe	For some of them, We have a list of WWTF in county but may not be up to date	No
Nassau	No	No
Okaloosa	No	Abandonment permits are sometimes issued
Okeechobee	Yes	Abandonment permits are always issued
Orange	No	Abandonment permits are always issued
Osceola	No	No
Palm Beach	For some of them	Abandonment permits are always issued
Pasco	No, Generally, the appropriate utility determines availability of sewer services, as necessary.	We get notifications. However not on an annual or regular basis.
Pinellas	No	No
Polk	For some of them, have county GIS map indicating service areas for Polk, however, do not have smaller DEP plant locations	No
Putnam	No	Abandonment permits are sometimes issued
Santa Rosa	Yes	No
Sarasota	No	No
Seminole	No	No
St Lucie	Yes	No
St. Johns	No	Abandonment permits are sometimes issued
Sumter	For some of them, general service areas for cities, none for private WWTF	cities notify but private do not
Suwannee	No, We rely mostly on memory, and have documentation sometimes in our mobile home park files for some places.	No
Taylor	For some of them, We get a compliance statement from the county that says whether sewer is available or not.	To the best of my knowledge, we are notified when sewer is installed. We did not require an abandonment permit when the new sewer system went in. We had the company that did the installation check off the systems as they were abandoned.
Union	No DEP Permitted Domestic WWTF	No
Volusia	No	Abandonment permits are always issued
Wakulla	Yes	Abandonment permits are always issued
Walton	No	Notified of streets are locations when sewer is available not necessarily parcels
Washington	No	OSTDS systems are not installed if WWTF is available. If and area is served by WWTF in an area and service can not be provide to an address then a letter from the provider must be attached to the application documenting why before an OSTDS is installed.
