

Question Number	40
County	Would you please provide any reports which contain information on the annual number and types of permits issued in your county that cannot be produced by the EHD(rehost)?
Alachua	ftp
Baker	email
Bay	None Available
Bradford	paper records
Brevard	No
Broward	None Available
Calhoun	ftp
Charlotte	will not have a complete list for 5 years Can estimate
Citrus	None Available
Clay	None Available
Collier	None Available
Columbia	None Available
DeSoto	No
Dixie	I would be glad to estimate and mail, we have physical logs that would have to be copied
Duval	This is available for all of our data in the EHD(rehost) database
Escambia	All electronic data we have is in Rehost
Flagler	ftp
Franklin	This is available for all of our data in the EHD(rehost) database
Gadsden	None Available
Gilchrist	Yes
Glades	None Available
Gulf	None Available
Hamilton	None Available
Hardee	e-mail
Hendry	No
Hernando	None Available
Highlands	None Available
Hillsborough	None Available
Holmes	No
Indian River	GlobalMind has the entire dbase3
Jackson	None Available

Question Number	41
County	Do you keep track of the total number of OSTDS in your county? Please choose any that apply.
Alachua	in the process of gathering the data for all of the potential ostds in alachua county.
Baker	No, only keep track of total number of permits
Bay	No, only keep track of total number of permits
Bradford	No, only keep track of total number of permits
Brevard	Have total number of OSTDS annually from 2005 - 2008
Broward	No, only keep track of total number of permits
Calhoun	No, only keep track of total number of permits
Charlotte	Will be adding to the EHD Monthly as we inspect all properties.
Citrus	No, only keep track of total number of permits
Clay	No, only keep track of total number of permits
Collier	No, only keep track of total number of permits
Columbia	No, only keep track of total number of permits
DeSoto	
Dixie	Calculate the total number of OSTDS annually
Duval	No, only keep track of total number of permits
Escambia	Prepare an annual report of the total number of permits by type
Flagler	Have been in contact with County and Municipal staff about providing an accurate count for this survey. Some areas provide water but not sewer and are working on getting an estimate of this number. In my opinion, The easiest method of obtaining a fairly accurate estimate of existing septic systems would be to use the county property appraiser data for "improved" lots and subtract the total number of current or past sewer service customers countywide.
Franklin	Prepare an annual report of the total number of permits by type
Gadsden	No, only keep track of total number of permits
Gilchrist	No, only keep track of total number of permits
Glades	No, only keep track of total number of permits and Calculate the total number of OSTDS annually
Gulf	No, only keep track of total number of permits
Hamilton	Calculate the total number of OSTDS annually
Hardee	we enter permits in the database and have completed an estimation
Hendry	No, only keep track of total number of permits
Hernando	No, only keep track of total number of permits
Highlands	No, only keep track of total number of permits
Hillsborough	No, only keep track of total number of permits
Holmes	No, only keep track of total number of permits
Indian River	No, only keep track of total number of permits Number of permits issued not available prior to 1974 (logs, dbase III, Centrax, EHD) Periodically, working with utilities and property appraisers estimates of OSTDS are made in specic areas when planning and promoting extention of water and/or sewer.
Jackson	No, only keep track of total number of permits

Question Number	42	43
County	What has been done in your county in order to quantify the number of OSTDS?	How many OSTDS do you *think* are in your county?
Alachua	In the process of completing an inventory.	between 30k to 32k
Baker	Not planning to do an estimation nor an inventory in the near term	7000 (number of homes)
Bay	Done neither an estimation nor an inventory	30,000 +/-
Bradford	Not planning to do an estimation nor an inventory in the near term	15000
Brevard	Completed an estimation	
Broward	Not planning to do an estimation nor an inventory in the near term	60,000 - 70,000
Calhoun	Completed an estimation	
Charlotte	Completed an estimation	
Citrus	Not planning to do an estimation nor an inventory in the near term	55000
Clay	Done neither an estimation nor an inventory	20000
Collier	Done neither an estimation nor an inventory	44000
Columbia	Completed an inventory	
DeSoto	Not planning to do an estimation nor an inventory in the near term	15,000 plus
Dixie	Not planning to do an estimation nor an inventory in the near term	15000
Duval	Danny Turner with the Water and Sewer Expansion Authority, City of Jacksonville, has completed an estimation using parcel data and utility records.	
Escambia	ECUA (local sewer/water authority) water account customers with no sewer accounts	
Flagler	Planning on doing an estimation	
Franklin	Done neither an estimation nor an inventory	
Gadsden	Not planning to do an estimation nor an inventory in the near term	THOUSANDS
Gilchrist	Not planning to do an estimation nor an inventory in the near term	15000
Glades	Done neither an estimation nor an inventory	7000-10,000
Gulf	Done neither an estimation nor an inventory	5000
Hamilton	CEEntrax and rehost provide an accurate inventory after 1999. CHpuims provides an accurate inventory after 1987. unable to convert data at this location. estimate is @ 100 systems a year installed after 87. guestimation of an addition 1000 tanks installed in Hamilton County from 63 to 88.	@ 4000
Hardee	Completed an estimation	
Hendry	Not planning to do an estimation nor an inventory in the near term	10,245-11,000
Hernando	See question 11 and 12 in this survey	
Highlands	Done neither an estimation nor an inventory	35000
Hillsborough	Completed an estimation	
Holmes	Not planning to do an estimation nor an inventory in the near term	8332
Indian River	Regionally (Subdivision) some estimates have been made on number of OSTDS. In 1992, Indian River County Health Department conducted the Onsite Sewage Disposal System Inventory estimating 26,000 OSTDS in Indian River County (SWIM)	36774
Jackson	Not planning to do an estimation nor an inventory in the near term	20000?

Question Number	44
County	What informs your answer to the above question? Please check which ones apply or give us information about other sources.
Alachua	AC OSTDS inventory
Baker	US Census data
Bay	Annual reports from EHD(rehost) or other electronic database
Bradford	Annual reports from EHD(rehost) or other electronic database, US Census data, Professional experience

Walton	Uploaded Access database already onto you website. This is just a listing of applications submitted. They may be many systems not permitted that we do not know about.
Washington	None Available

Question Number	41
County	Do you keep track of the total number of OSTDS in your county? Please choose any that apply.
Jefferson	No, only keep track of total number of permits
Lafayette	Calculate the total number of OSTDS annually
Lake	No, only keep track of total number of permits Calculate the total number of OSTDS annually
Lee	No, only keep track of total number of permits
Leon	No, only keep track of total number of permits
Levy	No, only keep track of total number of permits
Liberty	No, only keep track of total number of permits
Madison	No, only keep track of total number of permits
Manatee	No, only keep track of total number of permits
Marion	No, only keep track of total number of permits
Martin	Prepare an annual report of the total number of permits by type
Miami Dade	No, only keep track of total number of permits
Monroe	get info needed from rehost
Nassau	No, only keep track of total number of permits
Okaloosa	No, only keep track of total number of permits
Okeechobee	No, only keep track of total number of permits
Orange	No, only keep track of total number of permits
Osceola	No, only keep track of total number of permits
Palm Beach	No, only keep track of total number of permits
Pasco	Only the information contained in Rehost.
Pinellas	Numeric permitting system existed until 2005. Our permit numbers went up to 10,000 but this included all types of permitting.
Polk	No, only keep track of total number of permits
Putnam	No, only keep track of total number of permits
Santa Rosa	No, only keep track of total number of permits
Sarasota	We have permit numbers available through rehost reports
Seminole	No, only keep track of total number of permits
St Lucie	monthly tracking since 1984
St. Johns	No, only keep track of total number of permits
Sumter	
Suwannee	Calculate the total number of OSTDS annually
Taylor	No, only keep track of total number of permits
Union	No, only keep track of total number of permits
Volusia	No, only keep track of total number of permits
Wakulla	Yes, I ask the REHOST people for this all the time.
Walton	No, only keep track of total number of permits
Washington	No, only keep track of total number of permits

Question Number	42	43
County	What has been done in your county in order to quantify the number of OSTDS?	How many OSTDS do you *think* are in your county?
Jefferson	Not planning to do an estimation nor an inventory in the near term	unknown
Lafayette	Not planning to do an estimation nor an inventory in the near term	3000
Lake	Not planning to do an estimation nor an inventory in the near term	80,000---85,000
Lee	Done neither an estimation nor an inventory	134100
Leon	Planning on doing an inventory	
Levy	Not planning to do an estimation nor an inventory in the near term	18000
Liberty	Done neither an estimation nor an inventory	appx 5,000
Madison	Not planning to do an estimation nor an inventory in the near term	4000 to 5000
Manatee	Not planning to do an estimation nor an inventory in the near term	12000
Marion	Not planning to do an estimation nor an inventory in the near term	120000
Martin	Completed an estimation	
Miami Dade	Completed an estimation	Approximately 250,000
Monroe	Completed an inventory	
Nassau	Not planning to do an estimation nor an inventory in the near term	Unknown
Okaloosa	Planning on doing an estimation	
Okeechobee	Not planning to do an estimation nor an inventory in the near term	between 10 & 15K
Orange	Completed an estimation	
Osceola	Done neither an estimation nor an inventory	10000
Palm Beach	Not planning to do an estimation nor an inventory in the near term	100000
Pasco	Done neither an estimation nor an inventory	Probably about 40,000
Pinellas	Discussion have ensued and it was determined that due to budgetary constraints/ unfilled vacancies that an inventory is not feasible at this time.	*5000*
Polk	Done neither an estimation nor an inventory	150000
Putnam	Not planning to do an estimation nor an inventory in the near term	35000
Santa Rosa	Completed an estimation	
Sarasota	Completed an estimation	
Seminole	Done neither an estimation nor an inventory	49000
St Lucie	Completed an estimation	
St. Johns	Done neither an estimation nor an inventory	25000
Sumter	Completed an estimation	
Suwannee	Planning on doing an estimation	
Taylor	Not planning to do an estimation nor an inventory in the near term	5000
Union	Not planning to do an estimation nor an inventory in the near term	3300
Volusia	Done neither an estimation nor an inventory	100000
Wakulla	Completed an estimation	
Walton	Done neither an estimation nor an inventory	Over 20,000
Washington	Not planning to do an estimation nor an inventory in the near term	20000

Question Number	44
County	What informs your answer to the above question? Please check which ones apply or give us information about other sources.
Jefferson	Only been here for 4 years.
Lafayette	Professional experience of yourself and/or staff members
Lake	Professional experience of yourself and/or staff members
Lee	# of improved parcels from Property Appraiser, less minicipal utilities connections and DEP WWTP connections
Leon
