

Webinar Survey

1. Do you agree with the proposed allocation approach?

- ☐ Yes
- ☐ No, I have additional methods for consideration

2. If you answered no to the above, please describe additional/alternative method(s) for consideration.

3. For project reduction calculations do you prefer to:

- ☐ Keep the projects zones as currently applied
- ☐ Use the segmentation as proposed and outlined in 62-304.520, F.A.C.
- ☐ Use the proposed BMAP boundary as a whole
