1. If CUSTOMER does not directly own the areas where services are to be provided, CUSTOMER warrants and represents that he has control of these areas to the extent that he may authorize the specified services and in the event of dispute of ownership agrees to defend, indemnify and hold ASI harmless for the consequences of such services.

2. ASI will be reimbursed by the CUSTOMER for administrative fees, compliance programs, invoicing or payment plans or similar expenses caused by requirements placed on ASI by the CUSTOMER that are not explicitly included in this contract's specifications.
3. ASI, at its expense, shall maintain the following insurance coverage: Workman's Compensation (statutory limits), General Liability, Property Damage, Products and Completed Operations Liability, and Automobile Liability.

5. Cyanobacteria identification and toxin testing are not included in this agreement.
