BAG IT **DON'T**
BLOW IT

YARD WASTE CLOGS DRAINS AND POLLUTES OUR LAKES! Streets, sidewalks and driveways must be kept clear of all yard waste to prevent this debris from entering a curb inlet or storm drain. Leaves and grass clippings degrade water quality, can lead to algae blooms, reduce habitat for fish and wildlife and decrease recreational opportunities.

GOOD	BETTER	BEST
Bag It, Don't Blow It! Rake leaves and yard debris and place in a trash bag for solid waste's trash collection. Find out your pick-up schedule by visiting cityoforlando.net/solidwaste.	Mulch It, Don't Blow It! Leaves and yard debris make excellent natural mulch. Because leaves and yard debris contain high quantities of nutrients, they act as a natural fertilizer.	Compost It, Don't Blow It! Receive a FREE composter from the City of Orlando! Leaves and yard debris, along with many other items from your household, can be composted. Turn your waste into rich, useful compost. Receive your free composter by visiting cityoforlando.net/solidwaste/composter.
