2	Altamonte	medium Impact		Little Wekiva	Street Sweeping	City of Altamonte Springs	N/A	Street sweeping	Street sweeping occurs on a daily basis. Road length swept is 5,000 miles per year.						n/a						
3	Apopka	medium Impact		Springshed/ Rock Springs Run	Street sweeping	City of Apopka/Public Services		Street sweeping	Street sweeping occurs on a monthly basis. Road length swept is 3,000 miles per year												
4	FDOT D5	medium Impact		Springshed		FDOT D5	NA	Street sweeping	Street sweeping occurs on a monthly basis. Road length swept is 2,247 miles per year.												
5	Maitland	medium Impact			Street sweeping	City of Maitland	NA	Street sweeping	Streets are swept twice a month. Roadway length swept = 23.86 miles/two weeks. Total mileage swept is 572.64 miles per year.												
6	Mt. Dora	medium Impact		Springshed	Street sweeping	City of Mount Dora	NA	Street sweeping	Streets are swept 15 times per year. Length of streets sweep = 69 miles. Total mileage is 1035 miles per year. Collected 1813 cu yd of leaves and sand during the last 12 months												
7	Ocoee	medium Impact		Springshed / Wekiva River	Street sweeping	City of Ocoee	NA	Street sweeping	Streets are swept daily. Length is 82 miles. Road Length swept is 3,500 miles per year. 500 tons of debris was removed in 2011.												
8	Orlando	medium Impact		Little Wekiva River	Street sweeping	City of Orlando	NA	Street sweeping	Streets are swept every two weeks. Length is 67 miles. This equals 1,742 miles per year.												
9	Orange County	medium Impact		Little Wekiva Canal (Lake Lawne)	Street sweeping	Orange County EPD	NA	Street sweeping	Streets are swept every six weeks. Length is 192 miles. This equals 1,664 miles per year.												
10	Seminole County	medium Impact		Sweetwater Creek	Street sweeping	Seminole County	NA	Street sweeping	Arterial/Collector County Streets Maintained: 272,525 lane feet swept 7 times a year = 361.3 lane miles/year and Subdivisions/Local County Streets Maintained: 1,357,948 lane feet swept 2 times a year = 514.4 lane miles/year. Total mileage swept per year = 875.7												
11	Winter Garden	medium Impact		Springshed	Street sweeping	City of Winter Garden	NA	Street sweeping	Streets are swept weekly. Length is 6,380 miles per year.												
12	Lake County	Medium Impact		springshed	Mt. Plymouth Lakes	Lake County Public Lands	n/a	conservation- public lands acquisition	Property consists of 184 acres of lake bottom and associated uplands in the flat of Mt. Plymouth	n/a	07/07	done		public lands	unknown	unknown	completed	David Hansen	352-253-4972	dhansen@lakecountyfl.gov	property acquisition for conservation
13	Lake County	High Impact		springshed	Neighborhood Lakes	Lake County Public Lands	n/a	conservation- public lands acquisition	part of a multi-agency acquisition (FDEP, SJRWMD, USFSEA, Lake and Orange counties) totaling 1584 acres - Lake County partnered with SJRWMD to purchase 210 acres	n/a		07/07	\$5,000,000	public lands	unknown	unknown	completed	David Hansen	352-253-4972	dhansen@lakecountyfl.gov	property acquisition for conservation
14	Lake County	Medium Impact		surface watershed	Northeast Lake County Scrub Preserve	Lake County Public Lands	n/a	conservation- public lands acquisition	60 acres of mature sand pine scrub community with wetlands in southeast adjacent to Seminole State Forest	n/a		07/07	\$950,000	public lands	unknown	unknown	completed	David Hansen	352-253-4972	dhansen@lakecountyfl.gov	property acquisition for conservation
15	Lake County	High Impact		surface watershed	Ellis Acres Reserve	Lake County Public Lands	n/a	conservation- public lands acquisition	417 acres of pasture, upland and wetland forested areas. Previously a dairy farm.	n/a		06/08	\$6,553,500	public lands	unknown	unknown	completed	David Hansen	352-253-4972	dhansen@lakecountyfl.gov	conservation that was previous dairy
16	Lake County	High Impact		springshed	Lake May Reserve	Lake County Public Lands	n/a	conservation- public lands acquisition	136 acres of remnant citrus grove, oak hammock, and 20 acre Lake May	n/a		05/08	\$6,200,000	public lands	unknown	unknown	completed	David Hansen	352-253-4972	dhansen@lakecountyfl.gov	conservation that was previous citrus
17	Lake County	Medium Impact		springshed	South Pine Lakes Reserve	Lake County Public Lands	n/a	conservation- public lands acquisition	reserve consists of two adjoining properties 125 acres total consisting of scrub, scrubby flatwoods, herbaceous marsh - frog habitat, possible sandhill crane nesting	n/a		10/07	\$985,250	public lands	unknown	unknown	completed	David Hansen	352-253-4972	dhansen@lakecountyfl.gov	property acquisition for conservation
18	Orange County	High Impact		Wekiva River	Sandhill Preserve		PST 2003	Conservation Lands	previous land use = agriculture; management focus = water resource, sandhill; acreage = 83.03		Dec-05		\$3,320,000								
19	Orange County	High Impact		Wekiva River	Lake Lucie Conservation area		PST 2003	Conservation Lands	previous land use = agriculture; management focus = scrub habitat and water resource, passive recreational; acreage = 166.22		May-05		\$4,397,800								
20	Orange County	High Impact		Lake Lera, Wekiva River, Rock Springs Run	Neighborhood Lakes		PST 2006, State, Lake County, Expressway Authority & SJRWMD	Conservation Lands	previous land use = agriculture; management focus = water resource, passive; acreage = 1584 (498 acres within Orange County)		Feb-07		7500000 (county) + \$66,500,000 (partners)								
21	Orange County	High Impact		Wekiva River	Pine plantation		PST 2006	Conservation Lands	previous land use = agriculture; management focus = passive recreation, preservation; acreage = 40		Jun-09		\$1,000,000								
22	Winter Garden	High Impact		Springshed	Tucker Ranch	City of Winter Garden	Friend of Lake Apopka Trust for Public Lands	land conservation - Primitive Campground/Park	City purchased approximately 208 acres of agricultural land and is going to convert it to a primitive camp ground/park.	N/A	2013	2015	\$2,100,000	Capital and Grant	Unknown		Ongoing	Michael Kelley	407 656 4111	mkelley@cityofwintergarden.com
