

BMAP Resources

BMAP StoryMaps

Overview of BMAP information, legislative requirements, project lists and more.

<https://floridadep.gov/bmaps>

DEP Grant Funding Opportunities

Information and application portal for DEP grant programs.

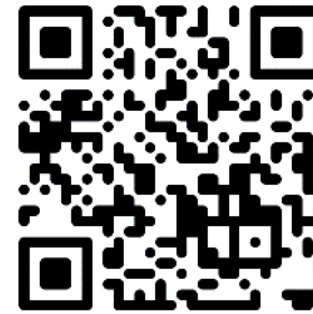

<https://protectingfloridatogether.gov/grants>

Agricultural BMP Cost Share Program

To assist eligible producers or landowners with BMP implementation.

<https://www.fdacs.gov/Agriculture-Industry/Best-Management-Practices-BMPs/BMP-Cost-Share-Program>

Florida Friendly Landscaping Program

Education for communities and landscaping professionals to reduce loading from urban turfgrass fertilizer.

<https://ffl.ifas.ufl.edu/>

Enhanced Nutrient Reducing (ENR) OSTDS

Information on HB1379, requirements for ENR systems, and a list of Certified ATUs in Florida

<https://floridadep.gov/Water/Onsite-Sewage>

Calculating Project Reductions and Stormwater BMP Efficiencies

Tools and Guidance for Calculating Total Nitrogen (TN) and Total Phosphorus (TP) Reductions for Restoration Projects

<https://floridadep.gov/DEAR/Water-Quality-Restoration>

Agency Reports

DEP Statewide Annual Report (STAR)

Information on the status of BMAPs, total maximum daily loads (TMDLs), minimum flows or minimum water levels (MFLs) and recovery or prevention strategies.

<https://www.floridadep.gov/star>

Status of Implementation of Agricultural BMPs

Information on the implementation of BMPs for nutrient reduction, irrigation management and protection of water resources.

<https://www.fdacs.gov/Divisions-offices/Agricultural-Water-Policy>

Water Quality Data

Watershed Information Network (WIN)

DEP's repository for all environmental data from providers across the state.

<https://prodenv.dep.state.fl.us/DearWin/public/winBasicPublicReports?calledBy=menu>

Protecting Florida Together

Search an interactive map to see impaired waterbodies and water quality charts as well as current conditions for blue-green algae and red tide.
