Hi guys,

Just checking to see if that means that you don't want Tim to be on the agenda, or if you do (Don mentioned that Tim or Matt might provide an update)? No pressure, just checking in, so I get the final agenda polished up.

Please let me know if someone will be in attendance or if you all have conflicts.

Tiffany

Matt,

I'm not sure if you or Tim or Hong want to attend to attend this BMAP stakeholders meeting. I have a conflict with the SunRail Commission meeting. Tiffany Busby with Wildwood Consulting Engineers is reserving 5 minutes for any of us stakeholders that added projects to the list allowing for a very brief overview of the projects. She said there would be time for a brief Power Point if so desired. We can discuss this tomorrow.
